Subject: Regarding data entry and updation of regular doctors and para-medical staff & installation of Mobile Application for CHRIS (m-CHRIS).

Ref.: 184 dated 18/07/2018; 201 dated 24/07/2018; NHM PIP 2018-19
Conditionalities.

In reference to the above cited subject, following are the points which need to be performed on priority basis to improve the quality of human resource information:-

1. Updation of Mobile Number & Date of Birth for better communication.
2. Installation of m-CHRIS by staff in campaign mode, so that data may be checked by concerned staff (anytime, anywhere).
3. Availability of staff record in CHRIS Software must be ensured before nomination in the trainings, so that training module may be implemented without communication gap/ delay.
4. Data entry of all pending staff information (both regular & contractual) in CHRIS Software, so that the same may be used for evaluation of HR position and it's synchronization with HMIS portal.
5. Please ensure to submit the compliance report to the undersigned within 10 days.
6. **For help and support, contact DNO (CSR) at 0141-5112527.**

Encl: As above.
