IMPORTANT

To,
All Joint Director (Zone),
All Chief Medical & Health Officer,
Rajasthan

Sub: Regarding data entry and updation of regular staff information (doctor, nursing staff, para medical staff) and contractual staff information in CHRIS Software & TMIS Module.

Ref.: MoM 288 dated 06/09/2018, 662 dated 13/08/2018.

In reference to the above cited subject, as per the NHM PIP Conditionality Framework for 2018-19 the human resource (regular & contractual staff) information need to be updated on **Computerized Human Resource Information System (CHRIS) Software**, so that availability of human resource on a particular health institution can be viewed and monitored. The summary information of IIR line list need to be synchronized with HMIS Portal (GOI).

Also, it is to inform you that **Training Management Information System (TMIS) Module** has been designed, developed and operationalised to capture the training information of each training and trainee (regular and contractual staff) but it has been observed that in spite of regular directions the information of nominated trainee is not available on CHRIS.

Hence, you are hereby again directed to review, monitor and ensure the availability of information of nominated staff on CHRIS before sending/ finalization of nominations, so that the training information may be linked. The compliance must be ensured on regular basis.
