U.O.Note

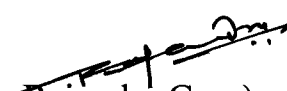

Subject: Regarding generation of TMIS ID in CHRIS Software for scheduled trainings in FY 2019-2020.

With reference to the above cited subject, please find enclosed herewith the order 779 dated 31.03.2018. It is requested you to ensure the generation of TMIS ID in CHRIS Software for the trainings scheduled in **FY 2019-20** for management of training information. **The TMIS ID can be generated by Consultant Training-NHM/ Consultant IT-NHM/ SIHFW.**

During the FY 2018-19, it has been observed that TMIS IDs have not been generated for scheduled-cum-completed trainings or TMIS IDs have been generated after with delays, due to which timely linkage of trained doctor/ staff information is not possible. **HENCE, IT IS REQUESTED TO ENSURE TIMELY GENERATION OF TMIS-ID FOR SCHEDULED TRAININGS.**

TMIS ID must be communicated/ mentioned in training orders, sanction orders, attendance sheets, reliving orders and other related documents. It should be ensured that information of nominated regular or contractual staff or training must be available/ updated in CHRIS Software, so that training information may be linked easily. For more clarifications, please contact to CSR-302 & SIHFW.
